

Rites Start New College

Ceremonies Mark Milestone In Three-Year School Effort

Scores of Desert area residents and public officials will mark a milestone in more than three years of efforts for College of the Desert in groundbreaking ceremonies tomorrow on the college site in Palm Desert.

Council to Meet Monday On Housing

Airport Gas and Oil Contract To Be Considered

Completion of the R-3 zoning ordinance sought by Robert Gould, for low-rent apartment development planned for five acres in section 20 near Avenue 34, an emergency ordinance setting regulations for "M" commercial zones, and action on recommendations from the Airport Commission will highlight the city council's adjourned meeting beginning at 7:30 p.m. Monday.

The zoning ordinance change for Gould, introduced in the Oct. 9 meeting, had to be carried to second reading because there weren't sufficient council members to pass the planned emergency clause Oct. 9.

Airport Gas
Airport Commission recommendations to be considered include termination of the current gas and oil contract with Shell Oil Company, and relocation of the access road to the Palm Springs school district maintenance shops and warehouse facility near Alejo Road on the airport site.

The road currently approved would enter from the south side of the airport. The entrance recommended is off Alejo Road. The action could result in substantial savings to the school district, which has earmarked \$17,000 for construction of the longer-southern oriented route.

The council will act on the mayor's appointment of Mrs. Ruth Marx as chairman of United Nations Day here, Oct. 24.

Tramway Road
Other council agenda items include the planning commission recommendation for realignment of San Rafael Road to meet the proposed tramway access road across Highway 111; and discussions of off-street parking, Indian Avenue striping, negotiations for purchase of land for park adjacent to the proposed section two school site, plus proposed relocation of dikes for flood control purposes. The dike discussion is keyed to plans by the Riverside County Flood Control district for channelization of waters from Chino Canyon.

Tuberculin Tests Slated

Dr. Everett M. Stone, director of public health of the Riverside County Health Department said today that tuberculin skin tests will be given Tuesday, Oct. 17, at the Palm Springs Health Center from 8:30 a.m. until 10 a.m. and from 1:30 p.m. to 2:30 p.m.

The tests are free and given to enable food handlers to undergo their examination for tuberculosis as required by county and city ordinances.

He Got Lots of Talk Ahead of Quiet Weekend

Edward Martin Kauder, 34, of Sherman Oaks, came down for a quiet Palm Springs weekend Friday, but he met a lot of people before he got to the rest.

Kauder, who explained to investigating Palm Springs police that he is a business partner of Phil Feldman, owner of a home at 2788 Starr Road, was sighted crawling through a window in the residence at approximately 10:45 p.m. Friday. Within minutes, Kauder had a squad car detail for company.

Feldman, a Beverly Hills resident, had given Kauder the wrong house key, the agile weekend reported.

Junior College chairman Ray Rummonds will be introduced to the gathering at 3 p.m. by Dr. Roy C. McCall, College president, and will in turn introduce William Cook who will make introductions of dignitaries.

Informal remarks will be made by the Board chairman, and a formal statement will be presented by Dr. McCall.

Woman Turns Earth
Palm Desert Chamber of Commerce will present the ceremonial shovel to Mitchell, who in turn will give it to board member Helen Staley who will turn the first shovel full of dirt.

D. M. McGahey will make the ceremonial statement while other members receive ceremonial shovels.

Opening of the new \$4,000,000 school plant has been scheduled for September, 1962. First year student potential is estimated at approximately 500.

Following the setting of plans for the ceremonies Thursday night, the Board also set salaries for the college teaching staff.

\$5,500 Minimum Set

A teacher with the bare minimum of teaching credentials will receive \$5,500 in the first year, with the possibility of increasing to \$6,823 maximum in no sooner than six years. In comparison, an instructor with a doctor's degree, will receive a minimum of \$6,827 during the first year, with a potential of bringing it up to \$11,004 after 12 years of service.

Unique to the salary setup is a provision of the policy statement which says that although a teacher with a satisfactory professional service record is eligible for a one step advancement each year, yearly increments are not automatic, but are made annually on specific recommendations of the president and the approval of the governing board.

Reds Clear Border Area

BERLIN (UPI) — Armed Communist police carried out new mass evictions on the barricaded East-West Berlin border early today in a determined bid to halt the flight of East German refugees.

West Berlin police reported the Communists evicted residents of four-to-five-story apartment houses on streets leading to the border between the French and Soviet sectors.

Nine large moving vans drove up to Schwedter, Swinemuender and Wollinger streets this morning. These streets run into Bräuner Street, scene of border shootings and escapes where evictions already have been carried out.

About 100 Communist policemen stood guard to prevent disorder as moving men carried out furniture, West Berlin police reported.

East Berlin residents have used the border houses as hideouts from which to make their escapes to the West.

West Berlin police reported that two youths fled from the Eastern sector Friday night. One of them cut his way through two barbed wire barriers in the French Zone's Reinickendorf District and the other one did the same in the American sector's Neukölln district.

All Planes Grounded for National Air Guard Test

COLORADO SPRINGS, Colo. (UPI)—All civil aviation in the United States and Canada halted today, and North American Air Defense Command (NORAD) fighter planes fought Strategic Air Command bombers in a 12-hour exercise of continental air defenses.

The operation, called "Exercise Sky Shield II" and directed from NORAD headquarters here, began at 1 p.m. EDT and was scheduled to last until midnight. The 12-hour grounding of non-participating aircraft was the longest air traffic interruption in history.

An estimated 3,000 American, Canadian and foreign airline flights were canceled. Seventy-thousand other civilian craft, as well as non-participating military

TRAMWAY COMPLETION DATE SET BY WINTER PARK BOARD

MOVING OUT SMARTLY, the Al Malaikah Shriners paraded this morning while thousands watched. The colorful parade moved down Palm Canyon Drive at 11:30. Pictured above are the Al Malaikah Guards dressed in red jackets and wearing the age-old fez. Following the color guard at the head of the parade, was J. B. Finney, temple potentate. (Desert Sun Photo)

Russ Threats Dim Hope on UN Chieftain

UNITED NATIONS, N.Y. (UPI) — Russian threats clouded prospects today for early selection of a successor to Secretary General Dag Hammarskjöld.

U.S. diplomats planned to continue negotiations with non-Communist delegations, but no meetings were scheduled for the week-end.

The charges and threats made by Soviet Ambassador Valerian A. Zorin at a news conference on Friday indicated a long period of wrangling still lay ahead.

Zorin said the U.N. would collapse if the Soviet reorganization plan is not carried out. He did not elaborate, but told a questioner "You would see how it would occur."

U. S. Ambassador Adlai E. Stevenson's retort that the United States would resist Russia's demands for a veto-bound executive committee indicated that the deadlock would persist for some time.

Observers saw little likelihood of any new factor suddenly entering the picture, since every angle presumably has been covered thoroughly in intensive negotiations since Hammarskjöld's death four weeks ago vacated the secretary general's post.

News In Brief

DALLAS, Tex. (UPI) — Cancer-stricken House Speaker Sam Rayburn, "cheered" by a visit from former President Truman, pinned his hopes today on being able to go home by the first of the year.

A bulletin today at noon, EDT, said Rayburn's condition is about the same as Friday.

ELISABETHVILLE (UPI) — The United Nations and Katanga Friday night concluded a definite cease-fire agreement that officials here said virtually recognized the independence of this secessionist province.

LEOPOLDVILLE, The Congo (UPI) — A gunman was reported today to have assassinated Prince Louis Rwagasore, 30-year-old premier of the Belgian-administered U. N. trust territory of Urundi on the Congo's eastern border.

At 49 She's a Great-Grandma

HAYWARD, Calif. (UPI)—Mrs. Nellie Rowe was entertaining her great grand-child today. Mrs. Rowe is 49.

She is now being visited by the oldest of her four grandchildren, Mrs. Evelyn Robinson of Corpus Christi, Tex. Mrs. Robinson became a mother Aug. 2.

"People just won't believe I'm a great-grandmother," the trim, youthful brunette said today. "I may be a great-grand grandmother before I begin collecting Social Security."

Reports said Rwagasore, a nationalist leader who has demanded immediate independence for the territory, was shot in the throat Friday night.

MOSCOW (UPI) — Three Russian Armenians hijacked a small airplane in an apparent bid to flee the Soviet Union but the pilot foiled the attempt by crash-landing, the Communist youth newspaper said today.

One of the three hijackers was killed and the other two were injured and captured, according to the report in Komsomolskaya Pravda, the Communist youth newspaper.

SAN FRANCISCO (UPI) — Ex-mobster Mickey Cohen will be permitted to leave Alcatraz Monday to go home to his marriage-minded girl friend and his dog. Bail of \$100,000 was raised for Cohen Friday and his lawyers and the girl friend, showgirl Sandra Hagen brought him his application for release.

Palm Springs Shrine Parade Draws Throng

Palm Canyon Drive from Alejo Road to Ramon Road was lined with thousands of enthusiastic spectators this noon to watch more than 1,000 gaily bedecked Shriners participate in one of their traditionally colorful parades.

Headed by the Al Malaikah Shrine color guard, the parade headed down the Drive, cheered on by the throngs.

Seventeen marching units, famed for their skill in maneuvers, were in the line of march, all with the bright uniforms of their Temples.

Featured were the noted drill teams, bands, chanters, Temple guards, the Scimitar Patrol as well as the numerous comedy groups.

The parade was one of the highlights of the three-day coronation of the Shrine which attracted 5,000 southland Shriners to Palm Springs.

Mt. San Jacinto Cable Lift Set May 1, 1963

Extension of the working contract for a period of 25 days was approved by the Mt. San Jacinto Winter Park Authority yesterday, setting the date for completion of the aerial tramway for May 1, 1963.

The Authority learned yesterday afternoon that it would be necessary to add the 25 days to the contract because the contract with L. E. Dixon Co., was not signed until after the bonds were sold late in June.

The official date for the start of the construction has been set by the engineering firm as July 7, and with 600 calendar days the job will be completed in May, 1963.

Progress Reported
Tudor Engineering Co. presented a progress report to the Authority in which it stated that "progress in all elements of work to date is satisfactory."

The Authority also gave its approval to the construction of a 160-foot trail from the upper terminus station to Long Valley, wilderness skiing and recreation area under the control of the authority.

This will be one of very few trails which will be cut in the area, and under the terms of the act which set up the Authority, no roads or other transportation, which would compete with the aerial tramway, can be built in the area.

Insurance Approved
The board also picked the firm of Marsh and McLennan - Cosgrove Co., of Los Angeles to handle its insurance program.

Represented by Willard W. Keith president of the firm, the company was chosen in a 5-1 vote, with member Virgil Davidson casting the deciding vote and saying that "I don't think anything should be handed out on a silver platter without looking into the statements of two companies."

All members of the Authority were present at meeting with the exception of V. W. Grubbs, who is currently vacationing in Europe.

Ceremony Discussed
The Authority also discussed at some length the coming "ground breaking" ceremonies and dinner which will be held sometime by year's end.

Desert Area Tops Nation For Weather

Palm Springs and the Desert Empire could look at the coastal basin today with a condescending air. It was hotter at the beaches than on the desert.

Long Beach registered a sizzling 104 top, hottest spot in the nation Friday and in Los Angeles it was a smoggy 96. The high here was a dry, mild 99.

More of the same is due over the weekend, the weatherman said, with slightly warmer temperatures on the desert and a bit cooler at the beaches.

Los Angeles and the beach cities however, had an alibi and blamed the interior.

The unprecedented heat was "hot desert winds."

Board to Hear Local Problems

Six matters relating to the desert area will come before the County Board of Supervisors at Riverside Monday.

They will consider the request of the judges of the Desert Municipal Court — E. E. Theriault of Palm Springs and Wallace Rouse of Indio — for relief from the accountability for revolving funds and the transfer of funds to the clerk of the court; act on recommendations on request for construction of Cathedral Canyon Drive from Highway 111 to Ramon Road; and on recommendations on a petition for the improvement of Pierson Boulevard in Desert Hot Springs under the 1911 Improvement Act.

A request from the County Airport Commission for permission to rent hard-surfaced areas at Thermal Airport for drying of date pits will also come before the board as well as request of Palm Springs Panorama for changing the name of Vista Chino.

At 10 a.m. a hearing is slated on bids for sale of a TV cable system franchise.

Savants Say Signals from U.S. Satellite

WASHINGTON (UPI) — A spokesman at the government's Goddard Space Flight Center today said that signals from space being detected at various sites throughout the world probably are coming from a U.S. Discoverer satellite sent aloft Friday.

The Goddard spokesman said that Discoverer 22 contained a tiny transmitter which sent forth signals on a frequency of 20,005 megacycles. This was the area where monitoring stations in Japan, Germany and Sweden detected the signals.

On this basis, the Space Center spokesman discounted speculation that the signals meant that the Russians had orbited a new space spectacular.

"It's highly unlikely that the boys on the other team put up something at the same time," he said.

ROLLING OUT THE RED carpet for customers at the new Bank of America branch, at Tahquitz-McCallum and Farrell, are from the left, Harold C. West, manager, Carol Sage, Palm Springs Debs president, Joel Stone, chamber of commerce president, Sandra Giles, stage and screen star and Ralph Windsor, Bank of America vice president from Los Angeles. This branch marks the 728th Bank of America in California and the second in Palm Springs. (Desert Sun Photo)

Opinions Favor Ballot Decision

To bring the light of public opinion regarding the city council's decision to retain the ward system in Palm Springs, a Desert Sun reporter asked the following question to several prominent citizens:

"Do you believe Palm Springs residents should be allowed to vote their choice between the council-at-large elections rather than the present ward system?"

The replies of some civic leaders follow:

Ted McKinney, city councilman — "Yes, I'm for the council-at-large vote, rather than the ward system, because it would give the voters more equitable representation. The voter would be able to elect the best people, regardless of where the candidate lives."

"The redistricting, as we have it formed, is not equitable. True, it is going to change my district (District One) from 48 per cent of the registered voters down to approximately 24 per cent, but it still leaves several of the districts with quite a smaller percentage, the smallest being 5.8 per cent."

"Under the council-at-large system, the voters could vote for all council candidates every two years, rather than for one candidate, every four years."

"Above all, the people should have the right to choose their own form of election and representation."

Leonard Wolf, Jr., building contractor — "I felt that the voters should have three choices: The original councilman districts as they are; revision of the councilman districts; or the council-at-large."

"The electorate has the power to change it and I feel that that is their prerogative."

Frank Bonert, businessman and Mayor — "People should be allowed to vote on it, not have it decided by three members of the city council."

"All the council did in their action Monday night was to deny the people the right to vote."

"The redistricting is a step in the right direction."

29 Palms Motor Bike Meet Reported on Quiet Side

TWENTYNINE PALMS — The Southern California Road Riders arrived in Twentynine Palms last night and this morning and according to Deputy Joe Karr of the San Bernardino Sheriff's Substation, there were no incidents involving the motor bike riders.

He said that an occasional backfire, caused by advancing the spark on the bike's motor, has shattered the communities normal peace and quiet, but other than that, everything is normal.

The Deputy said that the only arrests Friday night were of persons not involved in the Twentynine Palms Motorcycle Run.

The Road Riders plan on spending the weekend in this community and will leave Sunday. Advance estimates indicated that 1,500 motorcycle enthusiasts would attend the meet.

Deputy Karr said that a total of 10 California Highway Patrol officers, eight Reserve Deputies, and the regular force of 10 San Bernardino County deputy sheriffs are on duty with extended shifts this weekend.

The territory involved is a quarter mile "shoe string" connecting the western limits of the city with the Oasis Palms and Boe Del Heights subdivisions. After the strip is annexed, the two subdivisions could be taken into the city.

Barry Whiteley said that the area involved, 74 acres, would boost Indio's population from the present 10,150 to almost 12,000.

Annex Move Seen in Indio

INDIO — A 20 per cent gain in the population of this community was forecast if an annexation election called by Indio councilmen is successful.

The territory involved is a quarter mile "shoe string" connecting the western limits of the city with the Oasis Palms and Boe Del Heights subdivisions. After the strip is annexed, the two subdivisions could be taken into the city.

Barry Whiteley said that the area involved, 74 acres, would boost Indio's population from the present 10,150 to almost 12,000.

Can Anyone Here Suggest Any Better Ideas?

LOS ANGELES (UPI) — The Let's Have Better Motteos Association today announced the winning motto for October:

"No hurry on this—we can fowl it up later."

Runnersup included:

"Everyone hates me because I'm always right;"

"I don't want to be a millionaire, but it would be nice to have \$999,999;" and,

"I understand everything — except what you're saying."

New Speed and Altitude Set By X15 Plane

EDWARDS AFB, Calif. (UPI) — America's rocket ship X15 has accidentally broken its own world speed record for manned, winged aircraft while breaking its earlier world altitude record.

Officials of the National Aeronautics and Space Administration announced Friday the X15, piloted by Air Force Maj. Robert White, flew 3,647 miles an hour. The speed was two miles an hour greater than its previous mark of 3,645 m.p.h., set by test pilot Joe Walker.

White had been attempting Wednesday only to break an earlier X15 altitude record and the plane's speed was scheduled to be about 3,440 m.p.h. He broke the existing altitude mark of 215,000 feet by taking the needle-nosed craft 217,000 feet high (about 41 miles).

White is expected soon to try to fly 3,800 m.p.h. in the craft, designed to fly at speeds up to 4,000 m.p.h. at an altitude of about 100 miles.

Early Yule Mail Urged

Christmas is still more than two months in the future but Merritt Williams, postmaster, today urged residents of Palm Springs to start thinking about it if overseas members of the armed forces are on their list.

The period between Nov. 1 and Nov. 20 has been set for mailing parcels overseas to insure arrival by Christmas. Greeting cards should be mailed in the same period. Airmail packages should be mailed by Dec. 10.

The same schedule holds true for civilian friends overseas.

Deny Report

WASHINGTON (UPI) — The State Department Friday denied a published report that Secretary of State Dean Rusk indicated the "Rapakki plan" for demilitarizing central Europe is negotiable.

The plan, first advocated by Polish Foreign Minister Adam Rapacki, calls for nuclear and perhaps conventional disarmament in East and West Germany, Poland and Czechoslovakia.

According to the report, Rusk indicated to Rapacki, whom he saw here Tuesday, that the plan is "negotiable."

Peace Lack Of Progress Hurts Ike

NEW YORK (UPI) — Dwight D. Eisenhower says his greatest disappointment as president was "lack of definite proof that we had made real progress toward achieving peace with justice."

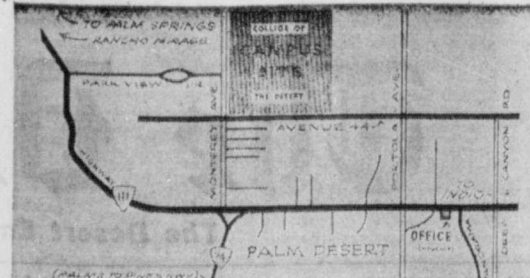

Parallel to that he warned the American public it must determine if it has the courage to live for possibly decades under the threat of nuclear aggression.

The two-term chief executive ranged over those views—and a multitude of others on accidental and small wars, his temper, his second-term decision and failure of Richard M. Nixon to win the presidency—in a one-hour televised interview with CBS newsman Walter Cronkite.

The interview was recorded during five days of conversations with Eisenhower at Gettysburg, Pa., late last spring.

U.S. Rejected

WASHINGTON (UPI) — Russia has rejected as not constructive a U.S. request to publish documents inside the Soviet Union on the Berlin crisis, the State Department reported Friday.

THIS MAP SHOWS the way to get to the site of the College of the Desert, where on Sunday at 3 p.m., when public officials will be present with board of education members to break ground for the new junior college. The public is invited.

Would Put Kids on Canned Milk If Radiation Went Up

PASADENA, Calif. (UPI) — A Lewis said, "I would not allow my children to drink fresh milk, but canned milk would be all right."

The biologist said that in comparison with high milk sample readings in the southeastern states a test of milk in Berkeley, Calif., on Wednesday revealed a radioactive iodine content of only five micromicrocuries.

He said California does not suffer from dangerous milk radioactivity because the state's cows are fed imported fodder up to six months old in which radioactive iodine has decayed after cutting.

Dr. E. B. Lewis, a professor of biology at the California Institute of Technology, was asked to comment on reports that counts of radioactive iodine 131 in milk had risen to 520 micromicrocuries in New Orleans and 140 in Tampa, Fla., since the Soviet Union resumed nuclear testing.

"If these levels existed here,"

Two Men Injured by Car On Palm Canyon Drive

Two 23-year-old Los Angeles men escaped serious injury at 2:03 a.m. today, when they were struck by an automobile as they walked diagonally southwest across Palm Canyon Drive, police said today.

Released after treatment in Desert Hospital were Jeffrey Horner and Michael J. Butler. Officers said the pair were struck by a car driven by Margaret Mary Winger, Pasadena, when they walked southwest across the thoroughfare in the 1200 block south.

Horner and Butler were apparently facing south in the south-bound lane. Winger had backed from a drive, was straightening her car into the traffic lane, at the time of the collision, officer Neal Green reported.

Call Issued for GOP Program

Richard E. Baird, chairman of the Riverside County Republican Central Committee, today said that reservations for the organization's dinner meeting Tuesday at 7 p.m. at the Mission Inn may be made in Palm Springs through Al E. Hoover, 325-2181 or 324-9250 and Elaine Baker, 329-5396.

William Miller, chairman of the Republican National Committee and New York state congressman, will address the meeting.

WASHINGTON (UPI) — The State Department said Friday that a U. S. agreement to sell 130 jet fighters to Yugoslavia and train Yugoslav pilots to fly them was approved by both the Kennedy and Eisenhower administrations.

GOP Meeting In Riverside

Republicans of the Palm Springs desert area will join Republicans from all Riverside County next Tuesday night in the California Room at the Mission Inn, Riverside, to hear the Hon. William Miller, chairman of the Republican National Committee and congressman from the 40th district of New York state.

Announcement of the meeting was made today by the county GOP Central Committee and associates.

As an added feature, every one who is a candidate or who has been mentioned as a possible candidate for congress from the new 38th, formerly the 29th, California district will be presented at the session.

Swede Finds Napoleon Got Arsenic Poison

STOCKHOLM, Sweden (UPI)—A Swedish scientist said today that Napoleon Bonaparte was murdered on the island of St. Helena by someone who had slipped arsenic into his food for nearly six years.

In a book entitled "Who Murdered Napoleon?", published today, Dr. Sten Forshufvud attempted to show that it was a witch's brew of bitter almonds and not cancer that finally killed the French emperor in 1821.

And Forshufvud, documenting his suspicions of the killer, indicated that the man was a French general who stood at Napoleon's death-bed. He said the clinching evidence of murder was found in strands of Napoleon's hair, preserved by his butler, Louis Marchand.

Forshufvud, a Gothenburg dental scientist, borrowed the hair from the French expert on Napoleon, Henry Lachouque, and had them analyzed at Glasgow University in Scotland.

The report from Glasgow, said Forshufvud, showed 10.38 micrograms of arsenic for every gram of Napoleon's hair.

"This shows that the subject had been exposed to relatively large amounts of arsenic," the report said. Forshufvud disclosed that the Glasgow chemists were unaware that they were analyzing Napoleon's hair.

Forshufvud, who had done research on Napoleon for years, said he built his theories on memoirs and personal notes, post-mortem letters and documents, and by reports of persons who surrounded the French emperor during his final days.

Escrow Group to Meet in Banning

BANNING—The Riverside County Escrow Association will hold its first meeting of the 1961-62 season in the San Geronimo Inn here at 7 p.m. Thursday, program chairman and moderator John Pearce announced.

SCORPION STARTED IT

Girls Made Long Walk Just to Get to School

Diane Reed, 14, of Palm Desert, a pupil at Indio High School, is determined to gain an education, even if she has to walk 10 miles to achieve her ambition.

The story came to light today after a school bus incident became public.

Diane and a girl friend, Laura, were passengers on an Indio-bound school bus earlier in the week. According to her mother, Mrs. Helen Reed, the school bus was sadly overcrowded and to add to the discomfort, two boys, also en route to the Indio school, started tossing a dead scorpion around, obtaining deep satisfaction from the squeals of the girl pupils.

The dead poisonous spider landed in Diane's lap and naturally, frightened, she screamed and tried to move out of danger hurriedly. The incident was reported at the principal's office, and the two boys

... may be saved for the Palm Springs Unified School District's bus maintenance and warehouse center to be built on portions of the city airport. The district, which had earmarked \$17,000 for an extension of El Cielo under the city-district lease program, may get approval to put the access route in from Alejo Road, where it had been originally planned.

Riverside Man On Barber Board

SACRAMENTO — Governor Edmund G. Brown today announced appointment of Omar C. Heitmeier, 54, of Riverside, as a member of the State Board of Barber Examiners. The post was created by the 1961 Legislature.

Heitmeier is secretary and business agent for Local 171 of the AFL-CIO International Union of Barbers and Beauticians.

Heitmeier, a Democrat, was a barber in Arizona and a member of the State Board of Barber Examiners of that state for five years, before moving to California in 1948.

Smoke When They Please, Hang The Protocol at the White House

By MERRIMAN SMITH

UPI White House Reporter
WASHINGTON (UPI) — Backstairs at the White House:

Be it a sign of less respect for strictly formal etiquette or the informality of the New Frontier, but guests at White House state dinners these days — some guests, at least — seem to smoke when they please and hang the protocol.

It once was rigid custom that guests smoked only late in the dinner, certainly not until after the entree, and to be completely safe, not until the champagne was served before dessert.

In the Truman administration, for example, smoking at formal dinners was controlled rather simply — no ash trays. When the time came for smoking, waiters placed ash trays along the glittering banquet tables. At one of the first Truman dinners, the wife of a new cabinet officer lighted up right after the soup and discovered to her horror there was no place for ashes except the hallowed, historic dinner china — or the floor. A stern butler let her collect ashes in her hand for a few minutes, then marched up disdainfully and relieved her of the smoldering butt.

The Eisenhowers put ash trays on the table, with small dishes of cigarettes, but since neither the President nor his wife smoked, it was hard to watch them for guidance. Occasionally, late in a dinner, either the former President or his wife Mamie would tell

those nearest them to smoke if they wished.

At some of the more recent functions given for visiting heads of state by President and Mrs. Kennedy, however, several guests started smoking early in the proceedings. At the recent dinner for Sudan President Ibrahim Abboud, several guests lighted cigarettes moments after they were seated, even before the dinner actually began.

They apparently spotted raised eyebrows and doused the cigarettes quickly. The President does not smoke at the table. He lights up when he goes into the adjoining red, green or blue rooms for coffee and liquors after dinner.

The more valorous protocol would indicate no smoking until host or hostess gives some indi-

cation, but it may be that with a growing climate of informality not only in Washington but other gathering places of prominent people, the sin of smoking before the entree is becoming less heinous.

The Kennedys early in their White House career stopped the long established custom of splitting the men and women into carefully segregated groups after dinner for brandy and cigars in one room, creme de menthe frappe and cigarettes in the other.

Ben Zeisels Celebrate Anniversary

Long-time residents of Palm Springs, the Ben Zeisels assembled a group of friends in Chi Chi's Starlite Room, to help them celebrate their 30th anniversary.

Among the guests were a number from Beverly Hills, Los Angeles and North Hollywood. Among local friends were Messrs. and Mmes. Robert Levin, George Forman, Al Abdun-Nur, Bill Schuloff Sam Black, Victor Goldblum, Sam Pascal, Leo Baker, Stan Goldblum, Dale Lewellyn, Ralph Freed Julian Stiff, Jules Boville, Charles Levy, Dan Stinch, Leon Rosenberg, Ray Blumenthal, Sam Brown Morris Teitelbaum, Dave Slatin, Zach Pitts, Lee Renner, Buster Guyer, Sam Stuart.

Also: Dr. and Mrs. Oscar Breyer, Dr. and Mrs. Sam Hart, Martha Zeisel, Mrs. Lou Mawby, Harold Lewin.

In the shell, hard cooked eggs keep at least a day without refrigeration.

University Women Welcome Twenty Guests and Donor

The Palm Springs Branch of the American Association of University Women held its first meeting of the season at the Woman's Club. President Mrs. Charles Sakin welcomed members and 20 guests, and introduced Mrs. Austin G. McManus, honorary member, who has donated \$250 to the club.

Mrs. Jerome Bunker, a past president of the club, outlined the aims of the organization. Mrs. Frederick Morrison, immediate past president, reported on the California Division Workshop of AAUW which was held in Palm Springs on Oct. 6-7.

Mrs. Florence Hart Larned, membership chairman, stated the requirements for joining AAUW, and urged all guests to join. Mrs. Wayland Reynolds, scholarship chairman, announced that the local donated a total of \$2,680 in scholarships to nine recipients in 1961. All scholarship funds are earned through the annual home tour, which will be directed this year by Mrs. Bradley Davis.

Mrs. Val Samuelson, program chairman introduced Paul Semu, an Indian medicine man, who narrated four Indian dances by mem-

bers of the Laguna tribe. Semu stressed the need for better understanding between peoples of different cultures.

Following the program, refreshments were served under the direction of hospitality chairman, Mrs. Joseph Clapp. Other new officers are Mrs. Sakin, 1st vice president, Mrs. Florence Hart Larned; 2nd vice president, Mrs. Val Samuelson; recording secretary, Mrs. Charles Kasner; corresponding secretary, Mrs. Albert Davis; and treasurer, Mrs. Robert Baker.

A new smoke kit for damsels consists of cigarette case and lighter fashioned purse style. The exterior features a silk panel reproducing a famous painting by Nicholas Lancret.

Palm Springs Soroptimists Preparing for Conference

Palm Springs Soroptimists are busy preparing for the Fall Regional Conference of Pacific Region, Soroptimist Federation of the Americas, Inc., to be held in Palm Springs at El Mirador Hotel on Oct. 27-28-29.

Hostess club, Soroptimist Club of Palm Springs, will be assisted by sister clubs in Indio, Blythe, Banning, Redlands, Twenty-nine Palms, Riverside and San Bernardino.

Between 600 and 800 clubwomen are expected to attend the conference, which will be honored by the presence of both the president of Soroptimist International Association, Mlle. Elisabeth Hoeter of Neuchatel, Switzerland, and Federation president Mrs. Dora S. Lewis of New York City, as well as Regional Governor Mrs. Edna Wirt Woods of Ventura and numerous other international, national and regional officials.

The conference which celebrates the 40th anniversary of Soroptimism, will be themed "Soroptimist, Architects and Builders, Pursue Excellence in Shaping the Future."

Numerous special events have been planned to entertain the visitors, including a Roaring Twen-

ties Party at El Mirador, and a banquet at Chi Chi.

Soroptimist President Polly Isenaghe has named the following committees for conference arrangements: auditorium — Ellen Hair, Virgie Dragicevich, Mildred Jackson; banquet — Guri Gilbert; hospitality — Kathryn Finchy, Viola Lukawiecki, Zaidie Bunker; publicity — Viola Lukawiecki, Angie Martins, Edna Brott; decoration — Marie Ford, Luella Coffin; finance — Lee Bowen, Tess Potter, Lucille Johnson; information — Calista Stefan, Lucille Fostvedt, Edna Brott, Dotty Stein; registration — Madge Holderman, Lucille Fostvedt, plus Chamber of Commerce; inspection — Esther Weingarten, Tess Potter, Pearl Milasich; meals reservation — Evelyn Barrick, Nellie Mae Bauer, Anita Buccino, Esther Weingarten; program assembly — Trixie Jarrette, Marie Ford, Manci Elias; reports — Polly Isenaghe, Mildred Ritchie, Angies Martins.

Bandlows Are Honored by Dunlevies

The fairway home of the Ernie Dunlevies at Bermuda Dunes Country Club was the scene of a wedding reception honoring Mrs. Dunlevie's brother, Richard Dee Bandlow and his bride, the former Victoria Lynn Davenport.

The newlyweds, who were married in Las Vegas, thus returned to the locale where their romance began. For they met at Bermuda Dunes Country Club, when each arrived with a separate party to witness a celebrity golf tournament. Here, too, they had their first date.

Family and friends drank champagne toasts from orange blossom-trimmed glasses and dined from a sumptuous buffet, set under a cluster of white and silver wedding bells and white satin streamers. Centering the table was a three-tiered wedding cake.

Among those present were the Messrs. and Mesdames David Bixler, Ed Vines, Paul Jenkins, Raymond Bandlow (bridegroom's parents), Richard Wilson, Arthur Hutchinson, Raymond Davenport (bride's parents), Phil Delano, Joseph Weiger, Frederick Silvers, Gene Fretz, Willis Dell, David Watt and Joe Glaston. Also Roy Randolph and Lee De Stefano, Michael Volla and Peg Kirk and Dale Dunnington.

Following the reception the Bandlows left to take up residence in Brentwood.

Honeymoon Here

Honeymooning at the Palm Springs Biltmore are Mr. and Mrs. Keith Thomas of Long Beach, who were married last week in Holy Innocence Church in Long Beach. The bridegroom is a student at Long Beach City College and the young couple will occupy their new Chestnut Street home in that city.

CHAMPAGNE TOAST to newlyweds Richard Dee Bandlow and his bride, the former Victoria Lynn Davenport, seated, is offered by Ernie Dunlevie and his wife, Taylor, sister of the bridegroom. The Dunlevies hosted a wedding reception at their Bermuda Dunes Country Club fairway home in honor of the couple, recently wed in Las Vegas. (Gayle Photo)

Around Town

by Hildy Crawford

Saturday, Oct. 14, 1961

THE DESERT SUN Page 5

Opening nighters found that the easy way to get into the Doll House is to turn into the Indian Avenue parking lot, so there were an unusual number making their entry through the side doors.

Being the sentimental type, we preferred to go around front, knowing we'd find George Strebe waiting to greet us at the red Dutch doors. With him was Georgeann.

There's a new feeling of spaciousness inside the familiar Doll House. That front partition is gone, and the line of the bar has been straightened out so there is more room. The too busy murals have vanished, but the big colored floats in the fishnets still glow overhead.

Earle Strebe was table-hopping and Frances was introducing their daughter Geska. Zaidie Bunker and her sister Henrietta Parker were there. Also in Zaidie's party were, the B. Jeffersons of Del Mar, the Earle Strebes, Susan Strebe and Mrs. W. K. Porter. Ruth and Norm Loftus came in and sat at the table next to us. Gretchen and Waltha Clarke, who arrived with the Ken Dixons, were being congratulated on their new baby daughter.

The Ben Pollacks stopped by our table and she exclaimed, "It always seems like Palm Springs when the Doll House opens."

Early diners were the Glenn Austins with daughter Angela. It was a surprise when the David Itkins walked in with Dr. and Mrs. Frank Schaefer, because everyone thought they were still in Santa Barbara. Ida, had another exhibit of her paintings in San Francisco this summer. Al Gardiner and his wife had dinner and then he returned after putting her aboard a plane for Las Vegas, where she went for a short visit.

Also in the crowd, enjoying the music of Renato (he plays "I Love Paris" as well as delightful French and Mexican folk songs and good danceable music) and

the steaks, "those potatoes" and the hot sweet rolls for which the Doll House has always been famous, were: Virgil Davidson (he says Governor Brown is due down here early in November), Mrs. Harry Chaddick, Jerry Burton, Harold Winters and Eloise Morrow, Adena McDowell, Nancy Hodgins, Marj Pohl (who is back to get her Examiner column started) and Leona Inman.

The George Lovetts are vacationing in Washington, D. C., where they are visiting their daughter Jacqueline and niece Marguerite Walls, both of whom are with the State Department. All four of them will go on a junket to New York and Chicago before the Lovetts return in time for the opening of their Town and Desert apartments in mid-November. George is president of the company that owns Congress Inn, which adjoins the municipal golf course.

Peggy and Randy Christy write from London that they (and their

Stork Shower Given for Mrs. Friedman

Expecting to attend a dinner for four, expectant Mrs. Jerry Friedman was surprised when she arrived at the Monterey Road home of Rabbi and Mrs. Joseph Hurwitz and found herself the recipient of a stork shower.

Hostess, Rina Hurwitz, had stacked pink and blue gifts in front of the fireplace and a variety of desserts were arrayed on the buffet table. With champagne, guests enjoyed sampling orange cake, chocolate cream pie, gelatin-fruit cake, cookies, sherbet, candy and mints.

When each woman left her handbag contained a purse-sized bottle of spray perfume, compliments of the hostess.

The new arrival, due next month will provide company for the Friedmans' son Robert, now three years old.

Toasting the mother-to-be were Mmes. Hy Ranes, Zachary Pitts, Bob Goodman, Mel Wasserman, Arnold Perlin, Dox Wexler, Leo Baker and Bud Garfield.

Also, Mmes. Charles Becker, Don Stone, Dan Kaplan, Hal Rostoker, Steve Platt, Bernie Tohl and Robert Levin.

Returnees Met With Sad News

Mr. and Mrs. William E. Froom, arrived at their Desert Hot Springs home in time to receive the news of the death of her sister Mrs. Amanda McNeill Hogan in Woodstock, Ill. The Frooms had just driven across country from Aurora, Ill., where they spent the summer.

car) flew across the channel from France, and expect to sail for New York on the Queen Mary next Thursday. They will be back at their Thunderbird home about Nov. 1.

Win (Mrs. Charles) Becker is arriving in Palm Springs today to open their Palos Verdes home according to daughter Jacqueline Cole.

Helen and Terry Ray write from Mazatlan, Mexico, where they have been fishing. They are motoring to Mexico City and will take a house in Cuernavaca for several months. Helen's sister and her husband are occupying their Palm Springs home during their absence.

From Mazatlan they were going to Guadalajara for a short stay, and flying over to Puerto Vallarta for a couple of days. At month's end, a group of friends from Palm Springs and Los Angeles, join Terry in Vera Cruz for some tarpon fishing.

The Rays had one upsetting experience, when they found torrential rains had washed out all approaches to Culican, with the exception of a long single-track railroad bridge, which they drove across.

Enjoying their travels with them is their French poodle Boye, who is adding a few Spanish words to his vocabulary. Friends of the Rays will remember the delightful travel story of their European experiences that appeared in The Sun under Boye's name.

Have been trying to track down Helen (Mrs. Walter) Braunschweiger and find out about the trip to South America, which I hear the State Department wants her and Walter to make. The best information available is that at the moment they are in San Francisco attending a bankers' convention, returning to Beverly Hills next week.

Back at her Palm Springs home is publicist Marj Pohl, who enjoyed a lengthy motor trip down into the unspoiled country in Baja, California and spent the rest of the summer at her ranch in Waterman Canyon.

The T. Robert Whites and daughter Vicky, who made the Mexican excursion with Marj, returned to their home on El Portal in time for Vicky to enter Palm Valley School.

RENATO, who is playing at the Doll House, with his trio, gets some help with the cymbals from George Strebe, who is getting a warm welcome back as he once more assumes the role of host at this popular Palm Canyon Drive spot. (Desert Sun Photo)

Tau Sigma Completes Its Sorority Rushing Agenda

A dessert luncheon held at the Paseo de Anza home of the president, Mrs. Pat Wahlberg, completed the fall rushing agenda for Tau Sigma Chapter, Beta Sigma Phi.

The traditional yellow roses graced the buffet table and were used throughout the room. Mrs. J. Allen Slone presided at the gleaming silver service while members and guests partook of a fruit ambrosia and assorted cookies.

A group discussion on the aims and purposes of sorority was held with officers and chairmen describing the duties of their office and replying to the questions of the rushers. Mmes. Marion Weigel, Charlene Hicks, Slone and Wahlberg comprised the "Bad Taste" affair, which noted many outlandish outfits by members and guests alike.

Guests included: Mrs. Betty Deal, Mrs. Virginia Hubbard and Mrs. Marcy. Mrs. Hubbard won a prize for the outfit in worst "Bad taste."

An evening rushing was held preceding the luncheon at which time Mmes. Marilyn Mitchell, Wilma Wiley and Hazel Meeks were entertained at the home of Jean Lather on San Antonio Drive. The

program on this occasion, "Your Day Socially," was presented by Mrs. Adda Crowell and Mrs. Slone. Pictures and actual table settings were used to illustrate this program.

Next on the agenda for the group is a "model meeting" at which time new pledges will be signed in.

P.D. Circle Has First Meeting

The evening Circle of the Woman's Association of Palm Desert Community Church held its first meeting of the fall season at the home of the chairman, Mrs. Kingsley Gaines.

Other officers for the year include Mrs. Ben Beal, co-chairman; Mrs. Clifford James, secretary-treasurer; Mrs. Jack London, program; Mrs. Don Bancroft, telephone; Mrs. Fred Chisnall, friendship and fellowship; Mrs. John Chestnut, world service; Mrs. Paul Stillman, historian.

The circle meets the second Tuesday of each month, October through May, at 8 p.m. in members' homes.

'FOILED AGAIN!' That's the word we have about this 'dramatic scene' from the old time melodrama, 'Fireman, Save My Child,' to be presented in 'Grandpa's Follies,' along with many other acts at the Palm Desert Optimist Club. Produced by the Palm Desert Players, which include the 'melodramatists' above, Stella Reed, Ralph Jensen and Clay Stearns, the show will be staged Oct. 20-21 at 8:30 p.m. Refreshments are included with each admission.

'Miss Sunbreak' Made a Hit Here

By ED BARNUM

Nobody and I mean nobody can sit in my chair. In fact I'm thinking of having it bronzed and hung from the ceiling.

Susan Henryson, Western Airlines' "Miss Sunbreak" graced my chair in The Desert Sun office yesterday and for some 30 minutes, captured the eyes of the entire staff.

I'm sitting on a bale of used copy paper.

Susan Henryson, who is Miss California and was a finalist in the Miss America contest, dropped in for a visit prior to leaving for Las Vegas. She was in the resort city in connection with Western Airlines' current drive on vacationers "flying down" to the Golden Triangle, during their winter vacations.

Susan, who according to an old freckle counter like me, has some of the cutest on record, explained that at present she is on an educational tour of the Golden Triangle so she can get acquainted with her picture taken in bathing suits, (I volunteered but the boss wouldn't let me) and in general become acquainted with Palm Springs, Mexico City, San Diego, Las Vegas and Phoenix.

With this first hand information

she said, she will personally "encourage" winter-bound residents of the north to seek a "sun break" in the Southwest.

The tour to lure vacationers will last until January and cover some 50,000 miles via the Western Airlines route. Points to be included on her itinerary include: Minneapolis, St. Paul, Salt Lake City, Denver, Calgary, Canada, Edmonton, Canada, Portland and Vancouver.

During her tour, Susan will appear on television, speak on radio, and pose for motion picture and still cameras.

The lovely red head explained that she would appear at service clubs and present 40 minutes to an hour programs, designed to attract visitors, via Western Airlines, to the various spas in the Southwest.

After I had courted the freckles on her nose for the third time Miss Sunbreak departed, on her way to Las Vegas for a backstage view of that city. She had better watch out — with her smile and freckles, she will be on the stage.

Artists Head For Annual Encampment

DEATH VALLEY — Desert-loving artists from every section of the West are expected to enter the "Open" exhibit in the museum here during the annual Death Valley '49ers annual encampment, Nov. 9-12, George Sturtevant, '49ers president, announced.

"Any artist may enter his desert paintings and a popular vote will determine winners of the ribbon awards," he said. This is the first such exhibit we have sponsored, but we are expecting it to become one of the major attractions of our annual outing.

Other featured attractions to the four-day encampment include the traditional community sings, square dances, conducted tours, religious services, talks on human and natural history, exhibits of minerals, gems, photographs, paintings and historic firearms and the unique Burro-Flapjack Sweepstakes. In addition, this year's program includes dedication of a historical marker at Freeman Junction and a three-day burro race from Beatty, Nev., to Stove Pipe Wells.

Entries in the "Open" Exhibit must be brought to the Museum by the artist or other authorized person on Thursday, Nov. 9, and must be removed on Sunday, Nov. 12, Sturtevant explained.

HOLLYWOOD (UPI) — Actress Shirley MacLaine is taking it easy these days following completion recently of "The Children's Hour" for the Mirisch Brothers and United Artists. She makes "Two For The See-Saw" early next year for the same producers.

MISS ICELAND SIGNED
HOLLYWOOD (UPI) — Sirry Steffen, who was Miss Iceland in the 1960 Miss International Beauty contest at Long Beach, Calif., has been cast in the role of a Nazi nurse in E. Charles Straus production "Hitler."

"Do you HAVE to be so gloomy, dear? ... All the auto people are predicting the best year ever in 1962!..."

DENNIS THE MENACE

"BEFORE YOU GET MAD ... WAIT'LL YA SEE HOW NICE EVERYTHING LOOKS!"

Television in Review

By FRED DANZIG
NEW YORK (UPI) — When Dwight Eisenhower looks back on eight years in the White House he sees areas of achievement and areas of disappointment.
That's how I feel about Thursday night's "CBS Reports," which offered the first in a series of three "Eisenhower on the Presidency" interviews.
Filmed at Eisenhower's home and office in Gettysburg about four months ago, the hour succeeded as an absorbing portrait of one of our century's most celebrated leaders. In chatting with Walter Cronkite, the former President showed himself to be an animated conversationalist, quick to enjoy a laugh. His eyes, mouth and hands were expressive reflectors of his emotions and the camera stayed with those features to supply a candid assessment of Eisenhower-the-man.
The program was best as Eisenhower spoke about such personal matters as his temper, health, candidacy and favorite Americans. Incidentally, he displayed what I took to be a surprisingly unsportsmanlike attitude about presidential TV debates. "When you're in," he said, "never debate with an outer." Tsk, tsk.
Eisenhower's eloquent credo for the nuclear age was an impressive highlight. Here, he spoke of the pioneers who learned "to plow a straight furrow while they were carrying a rifle on their back and being watchful from every flank." In this atomic age, he added, "we've got to be determined that we have the courage to live, possibly for decades,

with the threat of aggression against us." He also repeated his "farewell address" warning against castrating military hardware.
Ironically, spontaneity also had its disadvantages. Confronted with a broad, fast question like, "What do you consider your greatest achievement and your greatest disappointment?" Ike was obliged to qualify the reply.

YESTERDAY WAS FRIDAY THE THIRTEENTH... AN' I TOOK THE CURSE OFF IT.
HMM?
I FORGOT IT WAS DOWN UP... DON'T PAY NO MIND... TREATED IT LIKE IT WAS ANY OTHER DAY... IT LEFT ME ALONE.
HMM?
YOU AN'T KIDDIN' ME? I KNOW THE BENEVOLENT HALLWAY!
HMM?

MARK TRAIL
TAKE IT EASY, HORACE...AND DON'T LOOK DOWN!
JUST AS RANSER MCQUEEN AND HORACE MOVE OUT ON THE BIG STICK, THE MASS OF ROCK ON THE LEDGE ABOVE BEGINS TO SLIDE

SECRET AGENT X9
SEE ANYTHING, PHIL?
THE VILLA—THE BOAT—THE BOAT! NOTHING OF AGRAY OR BIG CIGNS, WILDA!
BUT SOONER OR LATER AGRAY WILL CLIMB INTO THAT CRUISER WITH THE CHIEF GET AND HEAD FOR THE SS CORAL BAY!
—AND WHEN HE DOES, WE'RE GOING TO FOLLOW HIM AND SEE NOW HE SMUGGLES THAT PACKAGE ABOARD!

JOE PALOOKA
JAWOHL! I RECALL HERR TRASK WELL! A KIND GENTLEMAN—VERY GENEROUS MIT TIPS!
TRY TO REMEMBER—IT'S VERY IMPORTANT! DID YOU EVER SEE HIM WITH ANY FRIENDS?
NEIN—ONLY MIT OTHER AMERICAN SCIENTISTS WHO COME MIT HIM TO VIENNA!
ACH, WAIT! ONE THING I RECALL! I HEAR HIM TELL TAXI DRIVERS TO TAKE HIM TO THE VIENNERSTUBE CAFE!

Church and History Is Fifth Sermon Topic

"The Church through History" will be the subject of Dr. Blackstone's sermon at the duplicate morning worship services at 9:30 and 11 a.m. in the Community Church of Palm Springs.

This is the fifth in a series of sermons on the church in which the pastor is emphasizing the responsibilities and the privileges which individuals have in the relationship to Christ through His Church.

The Sanctuary Choir will sing the anthem "Jesu Joy of Man's Desiring" under the direction of Dan Kammeyer accompanied by Mildred Kammeyer on the organ. A nursery is provided to care for small children during both worship services.

The Sunday School with classes of instruction for all ages is held at 9:30. A large adult Bible Class meets in the Women's Club House with Frank Cary as teacher. A class for single young adults meets in the pastor's home, 251

San Jacinto Drive, with Roy Davis, teacher, and the young married couples class is meeting temporarily in the Chapel of the new Sanctuary, with Merle Hancock teaching.

Youth groups will meet at 6:30 in the evening, and at 7:30 the regular evening worship service is held. Rev. Charles Brown, Assistant Minister, will preach on the subject "A Brother in Christ." Special music will be provided by the Descant Choir, a group of fifth and sixth grade girls.

All are welcome.

Transfiguration Will Be Shared

The Transfiguration of Jesus will be shared in Rev. James W. Arnold's sermon tomorrow at 11 a.m.

The sermon topic will be "Transfigured to Serve." Text is found in Matthew 17:4. "Master, it is all that we are here; let us stay." The sermon will bring out the importance of public worship in relationship to the necessity to serve our neighbor.

THE FIRST SANCTUARY of Mystic Christianity, Edwin J. Dingle, founder and chancellor. Mentalphysics, located on the Twentynine Palms highway between Yucca Valley and Joshua Tree, under the direction of Rev. Photo

Rev. Dingle To Address Delegates

The public is invited to attend services this Sunday at 10:45 a.m. in the First Sanctuary of Mystic Christianity, Mentalphysics, when the Rev. Edwin J. Dingle, will deliver his mid-convention address to delegates of the 58th Mentalphysics convention.

The title of his sermon is: "Mystery of the Essence of Eternal Being," giving the visitor an insight into the inner teaching of the church, he said.

Rev. Dingle said that the convention has brought delegates from all parts of the U.S., Canada, Mexico, New Zealand, India, England and many European countries.

God's Power Accented in Science Talk

The healing and redemptive power of divine Truth will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Doctrine of Atonement." The Golden Text is from John's Gospel, "John said Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world" (1:29).

Peter's healing of the lame man as related in Acts will be included in the Bible selections together with his reply to those who questioned him regarding the source of his healing ability, "Be it known unto you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you whole" (4:10).

One of the correlative citations from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy affirms, "The same power which heals sin heals also sickness. This is 'the beauty of holiness,' that when Truth heals the sick, it casts out evils, and when Truth casts out the evil called disease, it heals the sick" (p. 135).

Methodist Church Youth Fellowship

A Methodist Youth Fellowship, composed of high and junior high school students, has been organized at the Desert Hot Springs Community Methodist Church.
For fun, Christian fellowship and worship, the group will meet each Sunday at 6 p.m.
David Logan is counselor of the group and its officers are: Tim Edmonds, president; Susan Wright, 1st vice president; and Debbie Prosky, secretary-treasurer.

Unitarians Fall Series

The Unitarian Fellowship of Palm Springs opens its fall series of meetings tomorrow with a special program presented by Mrs. Donald F. Marx, Area Chairman for UNICEF (United Nations International Children's Emergency Fund).

The announcement was made by William Hesson, Chairman of the Fellowship, inviting all interested to attend this opening session at 11 a.m. in the Community Room of Santa Fe Federal Savings & Loan Association, 300 South Palm Canyon.

Mrs. Marx will show sound and color movies of UNICEF activities, which will be followed by coffee and informal discussion. Those interested in additional information may call Mr. Hesson.

Brave Disguises Community Topic

"Disguises of the Brave" is the sermon topic of the Rev. Dean W. Miller at 11 a.m. worship services tomorrow in Palm Desert Community Church.

On Sunday, October 22, a service of installation for Mr. Miller by the Presbytery of Riverside will be held in the Church sanctuary at 4 p.m.

Following the installation service a reception for Mr. and Mrs. Miller, as well as participating guest ministers, will be held in the Christian Education Building. The affair is sponsored by the Community Church Women.

On Sunday, October 29, Palm Desert Community Church will resume duplicate services at 9 and 11 a.m.

NEW
A-B-C SERVICE

For Smart Home Buyers
EASY AS A-B-C.

Tell us the price... size
... and general location you
prefer. We will give
you a list of 5 or 6 homes
nearest your requirements.
At your convenience you
drive by and look them
over.

Then we show you the in-
teriors of those that in-
terest you.
When you find what you
want we do the rest, ar-
ranging terms and escrow.

Hemet Falls on Indian Squad

Light Palm Springs Team in 33-6 Loss

By GENE JOHNSON

Heavily outweighed Palm Springs fell before the Hemet Bulldogs last night in a game marred for the Indians by numerous fumbles, interceptions and penalties. The score ended 33-6, but it was a close game into the fourth period with the home-town Bulldogs leading by only 13-6.

A murderous fourth period however, salted the game beyond reach with Hemet picking up three touchdowns and two extra points.

Although the Indians moved the ball well, they failed to get a single concentrated attack in the books. A fumble, a penalty or an intercepted pass would hit at a crucial moment — and the drive was ended. The only Palm Springs score came in the second period when Tom Bradley intercepted a Hemet pass on his own 15 and raced 55 yards for the score after shucking off a stubborn Bulldog.

Hemet Started Quickly

Otherwise, scoring-wise it was all Hemet. And it started quickly. After the Indians couldn't move the ball following receipt of opening kick-off, and the Bulldogs sifted through to block Bill Bradley's punt on the Tribe's 25 yard line. From there, big Ralph Reynolds boomed to the one on two plays, and Kenny Martin scored with four and a half minutes of the game in the record books.

Hemet threatened again in the quarter, but the stubborn Indian defensive team — only bright spot for Palm Springs in the game — held for downs on their own one-half yard line. They were put in that hole when Bulldog Terry Arnold intercepted a Bill Bradley pass.

Another intercepted pass a few minutes later set up another stout defensive effort by the Indians. Defensive team. This one was picked off by Hemet Tackle Mike Wiley when Mickey Morrison tried a

jump pass on his own 15. Again, Hemet failed to score when End Leon Woodrow dropped a fourth down pass.

Roberts Runs for 20

After a nice 20 yard run by Indian Ray Roberts brought the ball out to the 32, the Bulldogs held and Bradley had to punt again. Hemet put the ball in play on the Palm Springs 49 and four plays later the home team had another score to go ahead 13-6 four minutes into the second quarter. Fullback Dennis Nord took the ball 39 yards for the score, and Wade Bunting kicked the extra point.

The Indians moved the ball well on the ensuing kick-off, starting from their own nine. A drive featured by Roberts' 30 yard run took the ball to the Hemet 47 before it was stalled.

Hemet halfback Martin then took a good Bradley punt 20 yards to the Indian 41. The Bulldogs were off on another drive, assisted greatly by the referee, when Tom Bradley picked off a flat pass and rambled 83 yards to score.

The half ended on a 13-6 Hemet lead, and a big crowd of Palm Springs fans who went to the farm to see the game still had high hopes for the Indians. Especially since they are noted as a strong second-half team.

However, it was not to be.

A Disastrous Fourth

The third period was mostly Palm Springs, ball-wise, but something always happens to ruin things. They first took the pigskin to the Hemet 39 but Gus Walton fumbled a lateral; a moment later they moved to the Hemet 34 but Arnold intercepted another pass; and then they lost the ball again on a fumble on their own 32. That set up the disastrous fourth period when the roof caved in.

The weary Indians just couldn't hold the heavy Bulldogs any more. Less than a minute into the period, Arnold scored from the 13, and Bunting kicked another good extra point.

Hemet scored again a few minutes later when the Indians gambled and lost on a fourth and 12 on the Hemet 44, and Martin again scored, this time from the Springs 46.

Final score was set up when Robert fumbled a snap-back on the 50 and Hemet moved to the score on four plays, two of which were losses. Only a second showed on the clock when Martin took a pass and rambled into the end zone for his third TD of the night. The extra point was good, thanks again to the referee, and Hemet had the ball game, 33-6.

Score by quarters:
Palm Springs 0 6 0 0 - 6
Hemet 6 7 0 20 - 33

More Fishing Area Approved At Arrowhead

LAKE ARROWHEAD — An additional two and a quarter miles of shoreline fishing will be available to Southland anglers at Lake Arrowhead as a result of a new one-year agreement between the Department of Fish and Game and the Lake Arrowhead Development Company, which owns the lake and most of the property around it.

The agreement, which also fixes rates for boat rentals, was approved Monday by the California Fish and Game Commission at its regular monthly meeting in Los Angeles. It goes into effect November 1, upon termination of the existing agreement.

Located at the northwest end of the lake, the new shore fishing area extends from the west side of Lakeside Trailer Park on Blue Jay Bay around to Movie Point. Access is by foot trail. As in the past, shoreline fishing will also be available on some 1500 feet on the westerly face of Lake Arrowhead Dam at the east end of the Lake.

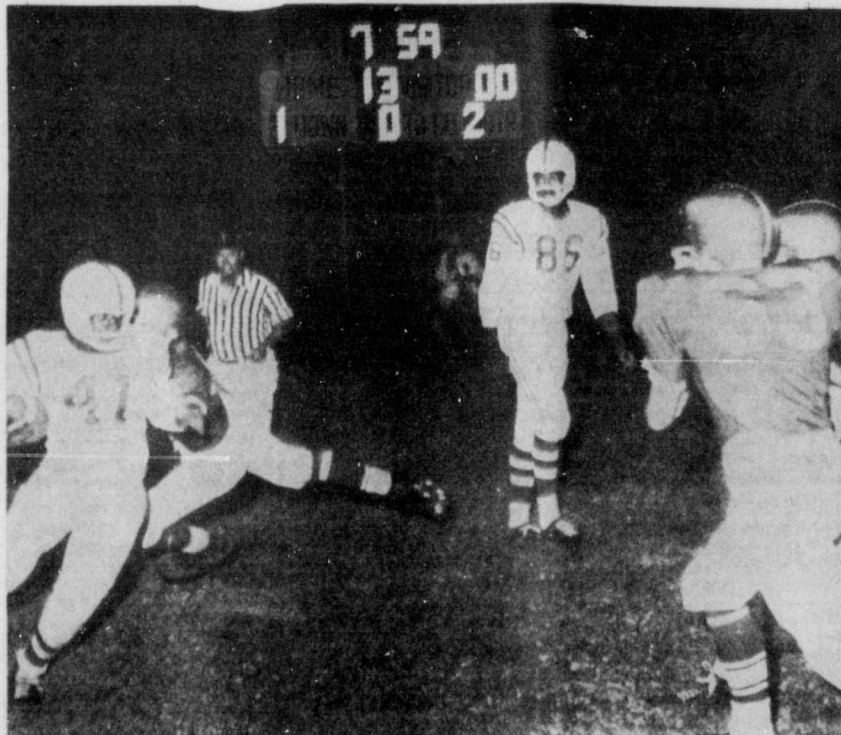

Lido Leads in Pacemaker Loop

Lido Terrazzo weathered some heavy bowling by Ethel's Hide-away team last night to hold first place in the Pacemaker league at PS Bowl.

Lido was led by Bernie Bernstein, who rolled a 609 series—a new high for the season. First individual game was turned in by Vic Hunt at 212.

Blotter Electric took three from Freeman and Foster and the Moose Lodge won three from Simarian.

Lido's 13 and 3 paces the league with Blotter and Ethel's tied at second with 11-9 records.

BENNY WHEELER evades one Bulldog and eyes a couple more in some action last night in the second quarter. As the scoreboard indicates, the Indians are already down by 13-0 during this action but they came back

to make it 13-6 before the roof fell in during the fourth quarter. Others in the picture are Gus Walton for the Tribe and Gary Devinna for Hemet. (Desert Sun Photo)

CITY TENNIS TOURNNEY UP FOR GRABS AS HAYS UPSET

Friday, the 13th apparently was too much for Bill Hays in the City Tennis tournament at the Racquet club yesterday. The Los Angeles lawyer who was singles runner-up champion last year, was upset in both singles and doubles play. The singles match was the first major upset of the tournament and throws the crown up for grabs as finals get underway tomorrow at 11 a.m.

In semi-final play today, Briggs Bosworth takes on Chuck Jandreau; and Maurice Smith takes on Gary Grossman. The two winners will battle for the title.

The big upset yesterday started out on a normal course as Hays took the first three games from the young high school star. Then Bosworth came right back to take the next five. When Hays broke service to bring it to 4-5, Bosworth came right back to break Hays' service for the set, 6-4.

Second set was another oddity as both players again couldn't hold their own service and it was

3-3 when Bosworth finally got the range and took the next three games, set and match.

Chuck Jandreau, Junior High School tennis coach, reached the semis by edging Steve Rosin in a closely-fought match, 6-4, 7-5. Rosin fought mightily to get three high school players into the semis, but Grossman and Bosworth will have to carry the Red and White colors by themselves. Still a mighty achievement for the high school team members.

Sunday will also be the day for finals in men's doubles and mixed doubles, with men's semis today between a Grossman-Rosin team playing Mort Ulman and Art Linnick and a Smith-Jandreau team playing Don Williams and Don Pletz, both at 12.

The Williams-Pletz combo qualified by beating Hays and Fred Morrison, 3-6, 6-3, 6-4, while Ulman and Linnick took the measure of a Bosworth-Gene Neischuler team by 6-3, 6-0.

Mixed Doubles

In mixed doubles, finals are set for Sunday at 1 p.m., with semis today at 4. Winner of the Bosworth-Sharon Meadows battle with Smith-Louise Steinberg at 1 p.m. today will play again in the 4 p.m. semi with a team composed of Jandreau and Joyce Linnick. The earlier match had been set yesterday but had to be rescheduled today.

Other mixed doubles semi today pits a team with Ulman and Marge Jackson against one made up of Rosin and Hazel Kunody.

Senior Golfers In Tourney Nov. 6-9

Ben F. Shearer, president of the Palm Springs Desert Senior Golf Association, has announced Nov. 6 to 9 as dates for the annual November tournament of the organization with golfers in the 55 years and over bracket from all over the nation expected to compete for the many handsome prizes.

The tournament, to be played on three local courses as in the past, is one of the best known and popular senior tournaments in the nation and is starting its second quarter century this year.

Over 54-Hole Route

Play will be over the 54-hole medal route at O'Donnell golf club, Tamarisk Country club and Thunderbird Country Club, 18 holes over each course each day. Because of the anticipated large entry list, two days have been set aside for the first 18 holes at O'Donnell. Seniors may

Learn to Bowl Program Starts

A series of five free bowling lessons are being offered to ladies by Palm Springs Lanes, 2315 McCallum Way, during a national Learn to Bowl program prepared by Brunswick Corporation.

Everything is free during the five-week course — free shoe rental, free instructions, free bowling and free child care in the children's playroom, which is under adult supervision.

The Brunswick program, prepared by the leading manufacturer of bowling equipment, sums up the best advice of the firm's 115-person advisory staff of champions.

Classes are being held Monday at 10:30 a.m., starting Oct. 16.

BULLETIN

LYTHAM — ST. ANNES, England (UPI)—The United States moved to within two points of winning the Ryder Cup golf tournament today by defeating the rival British professionals in four of the eight morning singles matches and halving two others.

Mike Souchak, Doug Ford, Billy Casper and Dow Finsterwald were the Americans who won their 18-hole matches on a sunny,

crisp morning. Arnold Palmer and Gene Littler each wound up all even in his match, while Jerry Barber, captain of the U. S. team, and Jay Hebert were defeated.

The United States thus led 11-5 after the morning singles matches. The Yanks had taken a 6-2 lead in Friday's foursome contests.

Eight more 18-hole singles matches in the afternoon wound up the Ryder Cup tournament. Halved matches are not played to a decision, each nation receiving one-half point.

Souchak defeated Ralph Moffitt, 5 and 4; Ford edged Harry Weetman, 1 up.

Wildcats Edged by San Marcos, 12-6

TWENTYNINE PALMS — It was a loosely played football game here last night. The Wildcats came off a finely played game last week which they should have won to a poorly played game they deserved to lose — and did.

San Marcos won, 12-6, primarily on the fine leadership of Doug Danover at quarterback and the stellar play — both on offense and defense — of Halfback Ron Gonzales. Star Wildcat tailback George Huntington had an off-night, completing only seven of 30 passes, and it was the final quarter before the Twentynine Palms team could get a scoring drive underway.

Football filled the air during the game as the Knights tried 19, completing five, while the Wildcats tried 32, completing but nine. Four passes were intercepted by each team.

Both San Marcos scores were carried over the goal through passing, and both were thrown by Gonzales. First one went to Jerry Rabe for a 62-yard play in the second period; and the second was

tossed to Randy Lisse from 10 yards out in the third period.

The Wildcats started their TD drive from their own 33, and six plays later, Ed Pease crossed the goal on a reverse to put Twentynine Palms on the scoreboard.

Never in Game

The home team never seemed really in the game although the statistics indicated they weren't too far out of it either. They picked up 250 total yards to the Knights' 309, had seven first downs compared to 12 by San Marcos.

Wildcat Coach Gene Moffett will be working hard for next weeks opener with Coachella Valley.

Score by quarters:
San Marcos 0 6 6 0 - 12
29 Palms 0 0 0 6 - 6

Aussie Leads Qualifiers for Riverside Race

RIVERSIDE (UPI)—International stars Jack Brabham and Stirling Moss saw action today in the featured Enduro, but most of the top names rested before Sunday's 200-mile Riverside Grand Prix.

Native Australian Brabham, two-time world champion, led all qualifiers Friday to earn the pole position for Sunday's \$20,000 race, and Moss of Great Britain won second position.

Both were entered in the three-hour endurance race for sports cars of all competing classes today. But most of the other events were for amateurs.
